Ready, Set, Bid on Dozens of Items at Our Online Auction, Nov. 11-18!

Looking for unique holiday gifts, or just want to treat yourself? Then check out the Historical Society's online auction of products, services, and experiences donated by area businesses! It's our biggest fundraiser of the year.

The auction opens November 11, but you can **preview what's in store NOW by visiting Biddingforgood.com/hmm**. There you'll find more than 50 items including foursomes at area golf courses, a Chain of Lakes pontoon boat tour, Frankenmuth's Bavarian Inn Lodge gift cards, a Howell Nature Center membership, Zap Zone gift certificates, and an in-home wine tasting party. **If you don't find anything you like, please consider making a donation on the site to support our efforts to preserve and present Hamburg history.**

If you have questions about bidding, please contact the museum at 810-986-0190 or hamburgmuseummichigan@outlook.com. Many thanks to our auction sponsors: Bennett's Beavers, CEI Michigan LLC, Flexible Metal Inc., and Pinckney's Auto Repair Center.

You'll have just seven days – November 11-18 – to bid on the products, services, and experiences available through the society's online auction.

BRING YOUR KIDS TO ENJOY COOKIES, CRAFTS & SANTA

Looking for something fun to do with your kids or grandkids before the holiday rush takes over? Then visit the museum on Saturday, December 3 between 11 am-3 pm for “Cookies & Crafts with Santa.”

Children will enjoy cookies while putting together a make-and-take craft. And **Santa will be on hand from noon-2 pm**; feel free to take photos of your kids with him using phones or cameras, but no professional shoots.

The cost for this event is \$5/person (which includes admission to the museum). **Please purchase tickets ahead of time through Eventbrite.com** to ensure an adequate supply of craft materials. NOTE: A limited number of tickets will be available on the day of the event on a cash-only basis.

WHAT'S NEW?

- On Wednesday, October 12, teacher Ken Ferguson led a group of middle school students from Kensington Woods School to the museum for a tour and discussion of what was happening in the Hamburg area while Lewis and Clark were making their way across the newly acquired lands of the Louisiana Purchase (1804-06). Board member Suzanne Hines and greeter Teresa Tegels served as hosts for this enlightening event.

Suzanne Hines explains that Hamburg Township was part of the Northwest Territory in the early 1800s.
