HAPPY BIRTHDAY TO US

Next year, 2024, we will celebrate the founding of the Museum 20 years ago. What started as an opportunity to save a historic building and continue the celebration of Hamburg's 192 year history (as of 2023) resulted in twenty years of ups and downs, lots of fun and a wonderful commitment from our community. The Board of Directors of the Hamburg Historical Society which owns the Museum, is developing a plan to celebrate our history next year. This year we are concentrating on fixing the physical infrastructure. A major part of the Museum, our new Learning Center lives in the Free Methodist Church built in 1865. Our Train Gallery was the first Hamburg Library opened in 1966 and the main gallery was built by members of the Hamburg Fire Dept. with donations and supplies from members of the community in 1976. Needless to say there is plenty of cleaning, painting, new gutters and repairs to the parking lot to get ready for the next 20 years. The building just got a bath, which had not happened for over 30 years. We have great plans for future activities and look forward to another generation of preserving our history.
